August 25 - Cabarrus County
School Starts

August 29 - Church of God
Children's Home

New Beginnings . . .

It is hard to believe that you guys will be starting school at the end of the month. The summer will fade into fall Friday night with the bands playing and the football teams fighting it out on the field. I love this time of year. It always brings a sense of urgency and anticipation. Every new year brings excitement. Who will your teachers be? Will they be nice? Will your friends be in any of your classes? A lot of these questions remain to be answered. Jesus asks us to become new creations. This year when you are nervous and anxious about school starting back you

can find comfort and assurance knowing that the Lord is going with you and you will not be alone. I'm beginning seminary this fall and am a little nervous myself. I like to think that we are both beginning new endeavors together and we can share our experiences with each other. This month we have several exciting events. August 2-6 will be the Camp Faith Middle School Week. We still have a few openings if you are interested. Our mission trip is the 12-15th. We will go over a more in depth itinerary as the time draws closer. Please make every effort to be at youth for our informational

Meeting Wednesday, August 11th. August 15th also marks the last day to drop off items for the back to school drive at the church. Please help us in this important outreach. August 22nd we will not have youth. Jennifer and I will be taking a long weekend off. School starts on the 25th!! On the 29th we are scheduled to volunteer at the Church of God Children's Home. We will be mowing the grass, basic yard work and upkeep. Thank you for all of your continued love and support. I am so proud to be your youth minister. I love you all so much! You've always got a friend in me, Beau

Back To School Drive

This year the youth will be sponsoring our annual back to school drive. We will be collecting pens, pencils, crayons, notebooks and other various forms of school supplies. We will also be collecting new and gently used articles of

clothing. The need is greater than ever this year in our community. Please help do your part to provide our communities youth. The drive will run until August 15th so they can be distributed before the kids go back to school. Thank you for all your support!!

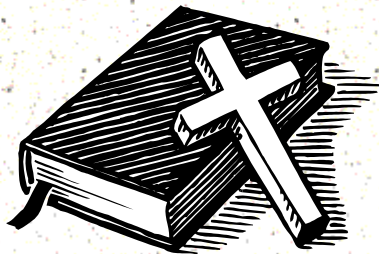

Last Day to drop off is
August 15th
