In all things give thanks

I love this time of year. The wind starts blowing a little harder, the days start becoming shorter and life is generally pleasant. Growing up I loved November and Thanksgiving. Some of my most cherished memories are of my parents and grandparents and just spending time with my family around the holidays. Now times have changed. I'm a little older and I look forward to spending my Thanksgiving with Jennifer and our family as we await the birth of our son. I also look forward to sharing these moments with all of you ! God has blessed us with so

much. How often do we take time to say thank you? The Bible says in 1st Thessalonians 5: "Make sure nobody pays back wrong with wrong, but always try to be kind to each other and to everyone else. Be joyful always; pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus." Always cherish and appreciate your family. You have all been so blessed. Keep Christ first and you will not go wrong. This month we have a very busy schedule. It's downhill to Christmas! We've got a lot to look forward to. It's very hard to believe that the year is almost over.

November 13 is the last day to drop off a shoebox for Samaritan's Purse. Please take part this year. It is so much fun and you will be blessed. On the 5th we will have dress rehearsal practice for the dinner show. Please make every effort to attend! The 6th is the dinner show. I'm very proud of you all and excited to share your talents with the church. November 11,12,13 we will take our annual retreat to JRVC. This marks our fourth year going and I am sure it will be the best trip yet. Keep your faith high. Remember the commitment's you've made to the Lord this year ! In Him, Beau

Samaritan's Purse - The Power of a Simple Gift

This year will mark the 6th year the youth has sponsored the Samaritan's Purse - Operation Christmas Child. We are very excited about this ministry and the good that it does around the world. Last year we donated nearly

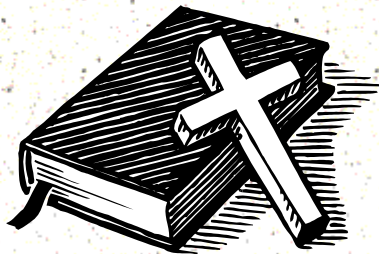

150 boxes. This year we have had 100 boxes donated. I know it is an ambitious task to collect such a large number but I believe we can do it. The drive will conclude on November 13th. That is almost an entire week longer than we

collected last year. The need in the world is constantly growing and we can do our part to share the Gospel as well as making a child's life a little bit brighter. I am doubling my giving this year and I challenge you to do the same. In Him, Beau
